AN ORDINANCE

97019

AMENDING CHAPTER 35 OF THE CITY CODE THAT CONSTITUTES  
THE COMPREHENSIVE ZONING ORDINANCE OF THE CITY OF  
SAN ANTONIO BY CHANGING THE CLASSIFICATION OF AND  
REZONING CERTAIN PROPERTY DESCRIBED HEREIN.

\* \* \* \* \*

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. Section 35-304 of the Unified Development Code which is Chapter 35 of the City Code and constitutes the comprehensive zoning ordinance of the City of San Antonio is hereby amended so that it shall hereafter include the following described changes of classification and the rezoning of the hereinafter designated property to-wit:

**CASE NO. Z2002241**

The rezoning and reclassification of property From "R-6" Residential Single Family District to "R-4" Residential Single Family District on 11.36 acres out of NCB 17153 and from "R-6" Residential Single Family District to "C-2 NA" Commercial Non Alcoholic Sales District on .41 acres out of NCB 17153 and from "R-6" Residential Single Family District to "C-3 NA" Commercial Non Alcoholic Sales District on 2.24 acres out of NCB 17153 on the property listed as follows:

14.01 acres out of NCB 17153

Field notes describing the above mentioned tract are attached hereto and incorporated herein for all purposes.

1. ☐ The following shall be submitted to the Resource Protection Division of the San Antonio Water System prior to the release of any building permits:

A. ☐ A WPAP shall be submitted for each particular development/use within the area being considered for re-zoning,

B. ☐ A set of site specific plans which must have a signed Engineers Seal from the State of Texas,

C. ☐ A letter from the Texas Commission on Environmental Quality approving each WPAP,

D. ☐ A copy of the approved WPAP.

☐

2. ☐ All stormwater run-off from the commercial development shall be directed to a stormwater abatement system that shall be reviewed by the Resource Protection Division of the San Antonio Water System prior to the release of any building permits.

3. ☐ According to the provisions contained in the Edwards Rules 30 TAC, Section 213.5 (b)(5), the WPAP applicant is responsible for maintaining the permanent water pollution abatement structures and all other BMP's after construction until such time as the maintenance obligation is either assumed in writing by another entity having ownership or control of the property (such as without limitation, an owner's association, a new property owner or lessee,

a district, or municipality) or the ownership of the property is transferred to the entity. Such entity shall then be responsible for maintenance until another entity assumes such obligations in writing.

4. ☐ The land uses within the commercial zoned areas shall be in conformance with the table of permitted uses at the time the re-zoning is approved. Should a proposed use be listed as requiring City Council approval, the owner/operator shall apply for re-zoning for that particular use at that site. If the land use is listed as prohibited, that land use will not be permitted on that site.

5. ☐ Landscaped areas shall be sensitive to minimizing water needs (i.e. use of native plants). The owner/operator of this development shall be informed in writing about Best Management Practices (BMP) of pesticide and fertilizer application. Preventing Groundwater Pollution, A Practical Guide to Pest Control, available from the Edwards Aquifer Authority (210/222-2204), or equivalent information produced by recognized authorities such as the Soil Conservation Service, Texas Department of Agriculture, U.S. Department of Agriculture, etc. shall be used.

6. ☐ The owner/applicant of this development shall contact the San Antonio Water System at (210) 704-7259 to obtain information about commercial conservation programs and rebate opportunities.

7. ☐ The storage, handling, use and disposal of all over the counter hazardous materials within this development shall be consistent with the labeling of those materials. Failure to comply with the label warnings may constitute a violation of Federal law.

8. ☐ The City of San Antonio shall inspect all future construction of service laterals and sewer mains for proper construction according to State and City Regulations and Code.

9. ☐ If any solution openings, caves, sinkholes, or wells are found during the excavation, construction, or blasting, the developer shall notify the Texas Commission on Environmental Quality at (210) 490-3096 and the Aquifer Protection & Evaluation Division of the San Antonio Water System at (210) 704-7392.

10. ☐ The Resource Protection Division staff shall have the authority to inspect the site to ensure that the approved recommendations are being strictly adhered to during and after construction of the project.

SECTION 2. All other provisions of Chapter 35, as amended, shall remain in full force and effect, including the penalties for violations as made and provided in Section 35 -491.

SECTION 3. The Director of Planning shall change the zoning records and maps in accordance herewith and the same shall be available and open to the public for inspection.

SECTION 4. This ordinance is not severable.
